

Grande Krewe Neighborhood Newsletter

First Edition/June 2019

The Krewe wants to provide our customers, friends and followers with email updates on your store that go beyond our event promotion. (Although, as you know... our events are amazing).

This newsletter will be sent to everyone on our email list on a quarterly basis and will include store updates, wine and spirit news and some helpful hints that you just cannot get anywhere else.

National Rose' Day is coming!

With our steamy New Orleans summer coming soon, it is time to stock up on Rose'. National Rose Day is June 10th – don't be caught with an empty shelf! This Holiday is a perfect excuse for a Monday Funday party! Grande Krewe has 45 different bottles – including some Rose Bubbles

Familiar favorites that we brought back include:

- That very special magnum of Moulin de Gassac - the best deal in the store for \$19.99
- Moises Willamette Valley – a sweeter Rose for \$27.99

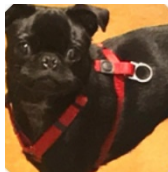

New offerings you may want to try:

- Hecht & Banner from Provence, France for \$23.99
- L'Oliveto from Russian River Valley for \$13.99

Crawfish or shrimp and Rose are the perfect pairing. Try serving melon and prosciutto and your favorite Rose – still or bubbly. Yum.
